ANCCP CERTIFICATION AGENCY

CERTIFICATION OF CONFORMITY

PPE-24136-AC-500

It is certified that the anchoring device intended for permanent installation

Type / Model

Anchor device Type A FA 60 041 01

Manufacturer	Kratos Safety SAS 689 Chemin Du Buclay 38540 Heyrieux, FRANCE
Tests performed with positive results	Deformation Test EN 795: 2012 Dynamic strength and integrity (1 user) EN 795: 2012
Test report	FPL/2025/134 issued on 24/04/2025
First issuance	14/04/2026
Current issuance	14/04/2026

Fabio Gazzerro
(CEO)

This certification is intended solely to confirm that the tests performed on the samples as tested and as detailed in the cited test report. However, it is not intended to affirm the prototype's conformity with the essential health and safety requirements governed by European Directives and/or Regulations that require the subsequent CE marking of the product.
Any design and/or construction changes to the cited prototypes may require further testing and verification.
