ANCCP CERTIFICATION AGENCY

CERTIFICATION OF CONFORMITY

PPE-24311-AC-530

Type/Model

EXTREMITY ANCHOR POST FOR TRAPEZOIDAL ROOF
Model: FA 60 042 01

Manufacturer	Kratos Safety SAS 689 Chemin Du Buclay, 38540 Heyrieux (France)
Tests performed	Deformation test EN 795: 2012 Dynamic strength and integrity EN 795: 2012 Dynamic strength and integrity CEN/TS 16415: 2013 Static strength test CEN/TS 16415: 2013
Test report	FPL/2025/250 issued on 05/06/2025
First issuance	05/11/2026
Current issuance	05/11/2026

Fabio Gazzerro
(Chief Executive Officer)

This certification is intended to confirm the execution of the tests performed on the tested samples, as indicated in the cited test report. However, it is not intended to certify the prototype's conformity with the essential health and safety requirements set forth in the European Directives and/or Regulations that permit the subsequent CE marking of the product.
Any design and/or construction modification to the prototypes requires further testing and verification.
